

How to purchase ApplauseCash (APLC)

1. Download [Google Chrome browser](#) and run it.
2. Install [MetaMask Ethereum browser extension](#). MetaMask is available only on desktop/laptop.

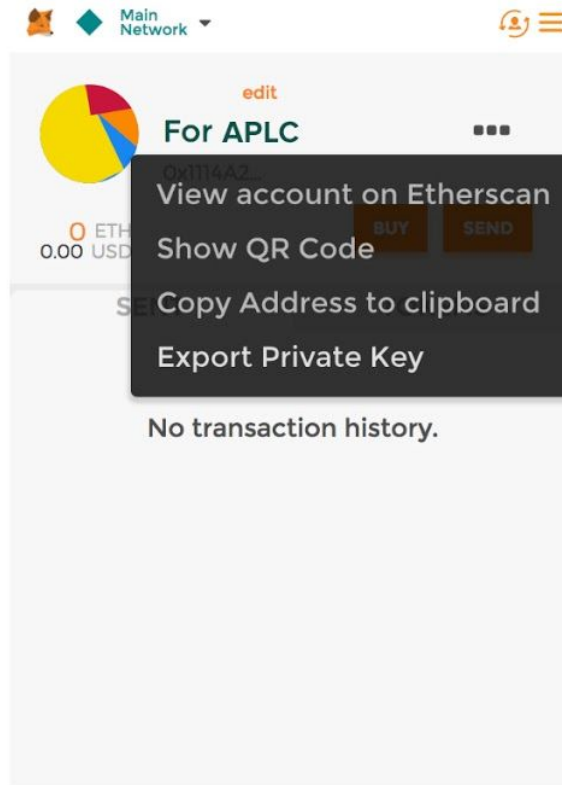

MetaMask provides a platform for managing Ethereum (or "ETH") accounts, and allowing ordinary websites to interact with the Ethereum blockchain, while keeping the user in control over what transactions they approve.

3. Obtain and download your personal wallet for Ethereum and ApplauseCash onto your desktop/laptop computer.
 - 3.1. Run MetaMask by clicking on the MetaMask fox icon in your Chrome toolbar.
 - 3.2. Create your password and save your seed words for your wallet ("DEN").

IMPORTANT: DO NOT lose your 12 seed words, address, and private key! These cannot be recovered!!!

- 3.3. You may edit your wallet name.
- 3.4. Copy the **address of your wallet** and preserve it in a safe place.
- 3.5. Export the private key and preserve it in a safe place.

Copy the address of your wallet and save it in a safe place.
Export the private key and save it in a safe place.

4. We accept payment only in Ethereum! If you do not have Ethereum, but you have another cryptocurrency, for example, BitCoin, you can easily exchange it for Ethereum on <changelly.com>.

Attention:

**Please send your Ethereum via MetaMask only.
If you send Ethereum from stock markets, it will be lost forever.**

5. If you do not have any cryptocurrency:

- 5.1. Read the [CoinMama detailed instructions](#).
